4 May 2009

Dear 2009 JF Marching Band Students & Parents,

We are in the first stages of preparation for what I have no doubt will be the best marching season in the history of the JFHS Band. Our show this season is called *American Vistas*, and will feature music of three prominent 20th century American composers—Leonard Bernstein, Aaron Copland, and Ron Nelson. It's going to be a great show.

We ask that a parent of each marching band member attend a meeting on Thursday, May 28 at 7:00 PM in the JF Band Room so that we can answer any questions you may have, disseminate information, and go over band fee payment options. It is very important that you attend this meeting. We would like to collect the first installment of band fees at the meeting if possible. Marching Band fees are \$350/student for 2009-10. Band fees can be paid in 2 installments, with the first due by May 29 (we will also be set up to collect fees at the JF Spring Concert on Tuesday, May 26) and the last due on August 4 (the 2nd day of full band camp). For your convenience band fees may now be paid online through PayPal, a secure online banking entity. PayPal accepts all major credit cards. Please note that PayPal will ask for a shipping address even if the item does not require shipping (such as band fees). This information is collected to insure that payments are applied to the appropriate student. A link is available from the band website (www.jeffersonforestband.org) under the Financial tab.

Several important documents are attached to this letter, such as the 1st draft of the marching band calendar & a number forms necessary for both band director and band booster records. As we make our plans for band camp & the fall, we need to collect a variety of information, such as emergency medical permission forms, parent volunteer forms, & contact information so that we will be able to facilitate smooth communication with students & parents concerning band activities. Some of the forms ask for similar or duplicate information—please fill out each form in entirety, as they will be used by different people (directors, booster officers, committee chairs, etc.) **It is essential that we have & maintain an up-to-date & accurate e-mail database of students and parents—it is by far the most effective way of communicating with the masses.** Please note that the attached calendar is a 1st Draft—there will likely be some changes as we go along. Please note that, with the exception of the 1st & 3rd weeks of school, we have no scheduled practices on Wednesdays for the duration of the season. Please make an effort to schedule appointments on Wednesdays to minimize rehearsal absences. **Consistent rehearsal attendance is vital to the success of the group.** Our success in the last two seasons was a direct result of consistent attendance throughout the season.

The emergency medical permission form is a blanket form that gives your child permission to participate in all band activities, including trips (see calendar), & for staff and chaperones to seek appropriate medical attention for your child if the need arises. No one will be permitted to participate in any band activity without a completed emergency medical form. This form needs to be returned by the first day of your band student's participation in marching band. **In addition to the form, please submit a photocopy of the front AND back of your insurance card.**

One of the things that make Marching Band such a special and worthwhile activity is the opportunity for parent involvement. We have a large operation, and we cannot begin to succeed without the help of as many parent volunteers as we can round up. On the attached volunteer form, you will find a list of opportunities to get involved and be a part of this great organization. We welcome your participation in any or all of these areas. The more people we have, the less work any individual has to do, and the more fun and fulfilling it becomes for everyone. Please consider volunteering your time and talents.

I am very excited about next year's band—I believe we are going to have a fantastic fall. Please let me know if you have any questions, or if I can help you with anything regarding your child's participation in the JF Band program.

Sincerely,

David Webb
